

# The Economics of Corruption

## Seminar (Master)

### CONTENT:

---

The purpose of the seminar is to introduce students to the economics of corruption using relevant current literature in top journals of the field, to understand how econometric methods can be applied to these contexts, and to stimulate research ideas.

### APPLICATION REQUIREMENTS

---

The seminar is restricted to 14 participants.

If you are interested in participating, please send an e-mail to Judith Müller at [judith.mueller@vwl.uni-freiburg.de](mailto:judith.mueller@vwl.uni-freiburg.de) to register. Slots and topics will be allocated during the first meeting. Later admissions are possible until slots are filled.

The seminar targets advanced master students with a very good command of intermediate econometrics.
